## **The Original Mels Diner Opening March 2021 at Red Hawk Casino**

Placerville, Calif. – (Thursday, Feb. 11 2021) – The Shingle Springs Band of Miwok Indians and Red Hawk Casino are excited to announce a new partnership with The Original Mels Diner®. Operating since 1947 with numerous diners and serving all-American favorites throughout Northern California and Northern Nevada, The Original Mels Diner will occupy the former Koto restaurant space with plans to open March 2021.

Upon the opening of The Original Mels Diner, a short renovation will follow at the Burger Spot, converting it to a new dining concept anticipated to open in early April 2021. This new concept, Triple Down Kitchen, will feature favorites from three well-known restaurants: The Original Mels Diner, The Cheese Steak Shop, and a local well-known BBQ restaurant.

“We’re excited to partner with such strong franchise brands that will bring fresh, new dining concepts to Red Hawk Casino and our guests,” says Bryan deLugo, Red Hawk Casino CEO.
